

HERCULES Stands, as the name suggests, is committed to designing and building innovative and rugged stands to fit the rigorous needs of today's active musicians. Each stand is the product of extensive research and development that enhances functionality and allows for easy set up and tear down. Hercules also employs the strictest manufacturing and quality control standards, since the last thing you need to worry about on stage is your gear. **HERCULES** continues to produce ground-breaking solutions and patented designs which set them above and apart from the competition.
