

Jupiter is proud to offer a line of high-quality accessory products for today's music students and performing musicians. Jupiter Swabs / Care Cloths are made of cotton, to gently and effectively help keep your instrument in optimum performance condition.

Jupiter Oils / Lubricants are manufactured to strict standards in the U.S., providing excellent maintenance and performance benefits.

Jupiter Mouthpieces are designed and machined to match the performance standards required by today's demanding educators and students.

ULTRA-PURE OIL / Lubricant is designed to optimize valve and slide performance.
