SPECIAL SERVICES: Freight Rates are based on the accuracy of the information provided when orders are placed. Additional fees may apply for other charges including appointments prior to delivery, lift gate services where carrier does not have access to loading dock or customer does not have tow motor, residential delivery, inside delivery, address corrections or various other accessorial services. Please review the order confirmation for accuracy. Failure to provide accurate delivery information could result in these fees being charged back to the customer.

PRICING: Prices are subject to change without notice. Every effort will be made to announce price changes in advance. In the event a customer is not aware of a price change, they will be notified before the order is in production.

RETURNED GOODS: No material will be accepted without prior authorization from the Crown Customer Service Department. Custom, specialty, or discontinued items are not returnable. Call Customer Service for further information about our Return Policy.

ACCEPTABLE DELIVERY: Large quantity orders on custom made products are subject to runs plus/minus 3% of requested total order quantity. The customer will be responsible for the final quantity produced and will be billed accordingly.

If goods have concealed damage (where goods are damaged but the packaging is intact), contact the carrier immediately. Keep original packaging and do not move. Whenever possible, it is recommended to take pictures of damaged goods.
