Dog Therapy Program

Dear Parents/Guardians:

Throughout the 2018-2019 school year we will be having a special furry visitor from The Bright & Beautiful Therapy Dogs Incorporated. The dogs will be visiting select classrooms. The dogs are fully trained therapy dogs, insured, and licensed to visit schools, nursing homes, and even hospitals. Therapy Dogs Incorporated maintains a network of caring individuals who are willing to share their special animals in order to bring happiness and cheer to people, young and old alike. We are excited to continue this program at BBLC.

Please fill out the permission slip below and return to your child's classroom teacher so that your child may participate in this wonderful program at school. Thank you.

Sincerely,

Katie Feiles
Vice Principal
