## School Breakfast and Lunch Program 2021 – 2022 School Year

Dear Parent/Guardian:

During the regular school year, the Academy Learning Center offers an optional breakfast and/or lunch program for all students.

**-Breakfast** consists of fresh fruit or juice, a container of low-fat milk and cereal, fruit bar, or yogurt, etc. See monthly menu on website for actual offerings.

**-Lunch** consists of an entrée (chicken bites, tacos, pizza, etc.) a vegetable, fresh fruit or fruit cup and milk (low-fat, or chocolate). See monthly menu on website for actual offerings.

This school year, the Educational Services Commission of New Jersey will be participating in the Seamless Summer Option (SSO) program, which will allow us to provide free breakfast and lunch to all Academy Learning Center students. Parents must complete the enclosed application to document participation in the National School Lunch Program. Completion of the application may also qualify eligible families for additional benefits and/or state funding. Additional information can be found on the National School Lunch Program application packet that has been shared with you.

If you do not wish to have your son/daughter participate in the National School Lunch Program and will not be completing the application, please complete the form below and return it to the main office.

Sincerely,

  
Stacy Rieger
